

Summer School: May 2017

The summer break is almost upon us and like previous years a variety of activities have been put together for children to choose from. These activities will be starting from **Monday, 15th May to Friday, the 26th May, 2017 from 07.45 am to 12.00 noon**. The summer program will cover standard enrichment classes as well as areas that could become an exciting addition to your child's hobby list.

- ❖ The number of activities coupled with the number of participants and the density in ages means, that every child will be able to take up a maximum of three activities only (please ensure you select only one from each section). We urge you to pay due attention to the areas that interest your child and choose the appropriate summer plan for him/her.
- ❖ Teachers, who your child is already familiar with, will conduct the summer classes; this will ensure that someone who is familiar with your child's present skill level coaches your child in the disciplines. The cost of the ten day program is Rs. 2,000/- (Rupees Two Thousand only)
- ❖ Children who need to use the school buses can avail of this facility. The buses will run at the usual timing in the morning and will do a return trip at 12.00 noon. Children, who are not presently using the bus service, will be required to pay an amount of Rs. 500/- to use the buses during the ten day summer program.
- ❖ The activities have been divided into three groups; you may indicate your choices by ticking next to the appropriate activity. Please tear along the dotted line below and return the completed form with the money to the Accounts Department at the earliest. The seats for each discipline are limited, so please ensure your prompt reply to guarantee a place in the activity of your choice.
- ❖ The academic enrichment classes will be offered to a select few and will be at no additional cost.
- ❖ Special classes for classes X & XII will be held from Monday, 15th May to Friday, the 26th May, 2017.

Yours sincerely,

Dr. Annie Koshi
Principal

Name: _____ Class & Section: _____
