

Madam Sara Mathew Memorial Medical Camp-2017!

Class 7 students used the medium to street play to spread awareness of the determinants of health. Later class 9 IAYP students facilitate the camp in the nearby slum community on 25th July, 2017 on the occasion of Shradhanjali Diwas and take their views on health delivery system.

The community raised issues of increased medical bills, privatisation of health sector and lack of doctors in rural pockets. Malnutrition among women and young girls is rampant!
